conference brings together researchers working on the chemistry of porous materials. The 2026 edition was organised by ILV and has gathered around 110 personnes on the campus of the Faculty of Science at UVSQ

ILV welcomes Professor Wonwoo Nam from Seoul University, who will be giving a seminar on 'Biomimetic Metal-Oxygen Intermediates in Dioxygen Activation Chemistry'.

held at the UFR des Sciences campus.

handling fire extinguishers. After a reminder on the causes of a fire, they reviewed how to give the alert.

French National Days of Photoemission Spectroscopy, JNSPE 2025

Rosinel Alfonzo, a first-year PhD student in the EPI team, was awarded of the best poster communication at JNSPE 2025.

Journées de Chimie de Coordination 2025

ILV was awarded the prize for best oral communication (Gabrielle Mpacko Priso) and best poster (Roa Alchamandi). Congratulations to both!

Scientific day of ILV January 2025

The first scientific day of the year took place on January 10, 2025, and was an opportunity to introduce the new entrants and listen to a talk by Claire de March (Institut des Sciences Naturelles, Gif-sur-Yvette).

New entrants

Three associate professors and an engineer have been recruited in ILV. Welcome to Lotfi B. Karroubi (EPI team), Silvia Voci (EPI team), Kais Dhbaibi (SORG team) and Maxime Laurans (MIM team) (from left to right on the picture).

Science
Festival 2024:
A look back in
pictures

Many of you
came to the
UVSQ Science
campus to
celebrate
Science. The
“wows” and “that’s
great” made us
very happy.

ILV July
scientific day

This half-day
event featured
scientific
presentations by
ILV members,
M2 inter-team
trainees,
newcomers and
a lecture by
Agnès Lattuati-
Derieux (Centre
de Recherche et
de Restauration
des Musées de
France, Paris).

Clément
Falaise, winner
of the
Christiane
Dietrich-
Buchecker SCF
prize

The Christiane
Dietrich-
Buchecker Prize
is awarded every
two years to a
young chemist
under the age of
40 conducting
research in the
field of
supramolecular
chemistry.

Mini-
symposium
(IRN smart
molecular
oxide)

Monday June
17, a half-day
organized as
part of the IRN
“Smart Molecular
Oxide” took
place on the
Sciences campus
in Versailles.
This event
notably provided
an opportunity to
discuss XAS
spectroscopy
and its use in
polyoxometallate
chemistry.

CONCORD 2024	Opening of 3 associate positions at the Institut Lavoisier de Versailles for September 2024.
--	--	--------------	--

12 students join ILV for their M2 internship Since February 1st, twelve MASTER2 students have joined our Lab for 6 months.	ILV's Day The ILV day took place on January 11, 2024. This day was punctuated by presentations from ILV members and a conference by Matthieu SOLLOGOUB (Sorbonne University).	NextPV (EN) ILV was attended the 11th IRP NextPV International Workshop Program which took place at the Research Center for Advanced Science and Technology (RCAST) at the University of Tokyo in Japan.	Great success for the Science Festival @ ILV The Science Festival which took place at UVSQ from Saturday October 7 to Sunday October 15 certainly sparked vocations.

researchers from ILV and GEMAC open the doors of the UVSQ Science campus to you to discover science through fun and participatory workshops.

(International Research Project) LUX-ERIT with the OPERA center (Center for Organic Photonics and Electronics Research) at Kyushu University in Japan.

Will bees, beekeepers and even farmers one day say thank you to Sébastien Floquet (MIM Team) and his young company OLIGOFEED

Oligofeed, the start-up serving bees, created by Sébastien Floquet and Aneta Ozieranska, stands out in the i-Lab 2023 innovation competition.

ILV's Day

The summer ILV Day took place on July 11, 2023 (morning) in the Bertin amphitheater. This half-day was punctuated by presentations from ILV members and a conference by Sophie Szopa, atmospheric chemist at the Climate and Environmental Sciences Laboratory (CEA Saclay/CNRS /UVSQ).

Guillaume Dagousset, winner of the Jean-Pierre Sauvage Young Researcher Prize

The Organic Chemistry Division of the Société Chimique de France awarded the 2023 Jean-Pierre Sauvage Prize to Guillaume Dagousset. Congratulations !

APIMONA: the food supplement for bees

After initial studies in Moldova and conclusive tests, a start-up will soon be created.
